Commissioner Updates: Commissioner Kingston reported on the upcoming Skamania Chamber Banquet.
**Director's Report:** Director Albaugh welcomed Jennifer Taylor to the Commission. The WPPA 2020 Spring Conference Meeting will be held at the Skamania Lodge. The Port will be hosting a Waterfront Trial completion celebration which is tentatively set for the first week in May during the week of the WPPA conference. Invitations to be sent to the County and City to participate in the planning the event. Director Albaugh reported that the County has asked the Port to remain as property managers at the WRBP until they are prepared to self-manage. To date we have placed several businesses out at the park and are working with several potential tenants.

**Facilities Report:** Doug Bill updated the Commissioners regarding recent projects which includes continuous work on the Waterfront Amenities such as the picnic table placements in Teo Park and Leavens Point. New park benches will be placed soon. He has been getting quotes regarding a snow break system for the River Point Building to break up the snow coming off the roof. Recently LDB has expressed concern in how the snow comes off the building. The quote received was cost prohibitive. He has also been looking into options for Port snow removal with the need for easy transport to North Bonneville. He presented several options for snow removal 1) Tractor 2) Pick up. Both options have pros & cons. Attorney Ken Woodrich commented, and the Commissioners directed him to find out who does the snow removal for the city of North Bonneville. Director Albaugh also indicated we are waiting for a response to our inquiry for a surplus vehicle from the county.

**Finance Report:** Cindy Bradley presented the finance report to the Commissioners. She outlined the total revenues and expenditure for the month of the December which netted and excess expenses over revenue in the amount of $97,827.28 ($107,540.91 of the expenses are directly related to Grants and will be reimbursed in January from said Grants. She reviewed the 2019 variances in Revenue and Expenses with the only the Non-Operating Revenue below budget. Operating expenses for The Landing and Properties were over budget by $5,540.70. All other operating expenses (excluding Capital projects) were under budget by $35,569.01. The Waterfront trail project grants and status was reviewed. With the next project focus on the horizon being the Cascades Business Park with those expenses to be fully paid by the Port. The Cash balance comparison from year end 2019 and year end 2018 were reviewed as well as the current budgeted grant balances. Notable Income and Expenses were discussed. Cindy reported that the Port ended 2019 with all tenant accounts current.

**Attorney's Report:** Attorney Ken Woodrich reported that he has been working with Tim Elsea at the County regarding their intent to self-manage the Wind River Business Park. The County will need to adopt procedures to allow them statutory discretion in working with a tenant / landlord setting.
